IATF 16949:2016

Your personal data will be processed by person expressly authorized and trained in the field of personal data protection; the IT technicians and the IT personnel who oversee the operation of our IT system may access the data.

We also inform you, briefly, that you have the right to request information on your personal data we are processing, to request rectification, cancellation, to oppose the processing, to request the limitation of processing and the portability of data as provided by Articles from 15 to 22 of EU Regulation 2016/679 GDPR (copy of the text of the mentioned articles can be requested at the addresses indicated above).

At any time you are entitled to lodge a complaint with a territorially competent supervisory authority.

If the data processing is based in whole or in part on your consent, you have the right to withdraw it freely and at any time through the contacts at the addresses indicated above. The processing performed in accordance with the consent given and the related legal effects will remain valid even after the possible revocation of the consent.

For any clarification or communication regarding the processing of your data, do not hesitate to contact us.

The Data Controller
